A New Understanding of the New Covenant

The Love Of God Series:

For Those Who Want To Know What the New
Covenant Really Means!

By John Foll

Discover the beautiful truth that God loves you and has a plan to save you! When you read this book, you will discover the true meaning of the New Covenant. **Why it is good news for you!** This is God's plan to save you and make you happy!

You need to learn the real meaning of the New Covenant, because it is good news! It shows how much Jesus and His Father love you, I, and the world, and the fuller beauty of what Jesus and His Father did for us! Oh precious love! It breaks my heart! But nothing can fully document or fully explain Jesus, and His Father's love for us, for it is infinite, and the very world itself, could not contain the books about this that could be written!

Our human brains will never be able to fully take in the love of God! But it is a most wonderful thing to try to take it in! **We will show you what the New Covenant really means, and why it is important for you to know, in a way you probably haven't heard it before.**

This book is an explanation of the Old and New Covenants in the Bible. It shows why the New Covenant is important for Christians, in a new way. This book contains a startling new idea about what the New Covenant really means, and how it relates to the Old or first Covenant that God made with His people at Mount Sinai. **But is it really a new idea, or an idea that has been lost sight of by modern Christianity?** You may think that you have heard this before, because it is not really stating a new truth, but this truth is not normally associated with the New Covenant, as far as we have ever heard.

It is so important to know what the New Covenant really means, to understand many of the other truths in the Bible, because many people are mixed up on this, and it causes them to not understand some of the plainest statements in the Bible. *Questions may have arisen in your mind what the New Covenant means.* It is important to deal with this subject, since there are common erroneous beliefs concerning it. This book will help you to understand the true meaning of the “Old” and “New” Covenants, and how they do not contradict any portion of the Bible.

What is holding you back from having all the love and joy that you were meant to have, which comes from obedience to God, given by a heart that is totally given to Him? Acts 5:32 says that the Holy Spirit is given to all that obey God. **Do you want to obey God in everything that He has said in His Holy Bible?** There is a sweet joy in submitting yourself completely to God, that those who quibble over what the Bible says, because they

don't want to do it, will never know, unless they have a change made in their heart. **When you desire to obey God all the way, because you love Him, you will be given the Holy Spirit in full, and your life will never be the same again, then you will finally know true love; this is the love that makes life worth living, living for eternity!** *If you believe that God is leading you this way, read this book!* Always make sure your heart is clear before God by confession of all of your sins, every day, and that you have prayed for help, and guidance from Him to know all truth, as He has promised. **“But when He, the Spirit of truth, comes, He will guide you into all the truth; for He will not speak on His own initiative, but whatever He hears, He will speak; and He will disclose to you what is to come.”** John 16:13 NASB. *Please pray that God will give you His precious Holy Spirit, and lead you into all truth, you will never regret it!* God loves you and wants you to be filled with His peace, love, joy and faith, and live forever with Him in Heaven. **Will you not respond to His call of love to your heart in the affirmative, and give your heart completely to Him now, and enjoy His loving presence in your heart now and forever? You will never regret it, we promise you!** God loves you, and will take care of you, and save you, if you will let Him! Amen.

This book will help those who want to love God, love Him more, and please and obey Him, when they learn how much He and His Son love us, and what they did for us!

This book teaches important Bible doctrines for Christians from a devotional viewpoint, because love should be the center of everything that we do; it is why we should want to obey God, because we love Him! But some of the more important truths presented here may not always appear to be a devotional, but we will contemplate why we are to obey them, because we love Him.
