God's Law of Love

The Love Of God Series:

For Those Who Want To Know
Why God's Law of Love Is Important.

By John Foll

Discover the beautiful truth that God loves you and has a plan to save you! When you read this book, you will discover the truth of God's Law of Love, which is part of His plan for your life: Why it is important keep, if you want to please God and be happy.

What is holding you back from having all of the love and joy that you were meant to have, which comes from obedience to God, given by a heart that is totally given to Him? Acts 5:32 says that the Holy Spirit is given to all that obey God. **Do you want to obey God in everything that He has said in His Holy Bible?** There is a sweet joy in submitting yourself completely to God, that those who quibble over what the

Bible says, because they don't want to do it, will never know, unless they have a change made in their heart, and want to obey Him. When you desire to obey God all the way, because you love Him, you will be given the Holy Spirit in full, and your life will never be the same again, then you will finally know true love; this is the love that makes life worth living, living for eternity! If you believe that God is leading you this way, read this book! God loves you and wants you to be filled with His peace, love, joy and faith, and live forever with Him in Heaven.

We want to show you God's Law of Love from the Bible, and why it is important for you to follow.

His love for you will help you to live a righteous life, by the faith that He will give you, if you let Him.

Then Jesus and the Father's love in you will be a well of water springing up unto eternal life, helping you to keep His law of love (John 4:14). This book will show you, that to please Him, that you should willingly give Him your heart, and love Him with all of your heart, and all of your mind, and all of your soul, and to love your neighbor as yourself, for God is love, 1 John 4:8. And in the keeping of God's Law of Love, there is great reward! Psalms 19:7-11.

Every day many people are making their decision against God, without ever knowing how wonderful He is, or how wonderful their life would be if they gave their heart completely to Him. We sincerely believe that if more people could understand the blessings God wants to give them, there would be more people accepting the invitation He is offering, and give Him their heart, so that they would want to, and would be able to keep His Law of Love, and find true love. There is so much ignorance, lies and half-truths about God that are causing many to ignore or leave Him out of their lives forever, or to live a half-way, lukewarm Christian or religious existence, when they might have the very happiness and joy they have been

searching for their entire life, and don't know how to get. **No one can be happy, if they do not love the Lord their God, with all of their heart, and all of their mind, and all of their soul, and love their neighbor as themselves.** God doesn't compel anyone, but in this book we will lay out the reasons why God's 10 Commandment Law of Love is still binding on Christians, and have not been done away with. **And if we truly love God, that we would want to obey Him, and keep His commandments, for His commandments are not burdensome to those who love Him.** “For this is the love of God, that we keep His commandments; and His commandments are not burdensome.” 1 John 5:3 NASB.

It is our prayer, dear reader, that you will have great joy in obeying your God, whom you love, because He loves you and will help you keep His Law of Love, if you desire. And that you would be filled with the Holy Spirit, because the Holy Spirit is given to all that obey God. Acts 5:32. Amen!

I am already a Christian, so why do I need to read this?

Yes you need to read this! There are some gross and subtle errors that have come into modern Christian thinking that can separate you from God, and all the peace, love, joy and happiness you were meant to have! *There are some contrary notions out there that say that we can love and be into love, without having to obey God and keep His Law of Love. But nothing could be further from the truth!* Jesus said it correctly, God's Law can be summed up as loving Him with all of your heart, mind and soul, and loving your neighbor as yourself. Any selfish, unkind, deceitful, or hurtful thought, word, or action to ourselves, God or others is always a violation of God's Law of Love. Those who think that they are free to break God's Law of Love and hurt themselves, God, or others, because they don't need to keep it, or because they think that they are 'under grace' are going to find out that God isn't pleased with their course, and they will miss out on the eternal peace, love, joy and happiness that He wants to give them, unless they repent. **There is a special blessing the God pronounces on those who obey Him, and a curse placed on those who don't want to obey Him or don't want to repent. The choice is yours, dear reader, whether you have God's blessing or His curse.** It is our prayer that you will choose God's blessings, that you might have life, and have it more abundantly, and have eternal life, with it's eternal love and joy!

This book will help those who love God please Him, and obey Him. It teaches important Bible doctrines for Christians from a devotional viewpoint, because love should be the center of everything that we do; it is why we should want to obey God, because we love Him! But some of the more important truths presented here may not always appear to be a devotional, but we will contemplate why we are to obey Him, because we love Him.
