Revelation 3:18

The Love of God:
God's Plan To Save You!

Part 2: How To Become The Bride of Christ!
By John Foll

Discover more of the beautiful truth that God loves you and has a plan to save you! When you read this book, you will discover the more advanced truths of God's plan to save you: how to be happy and become part of the Bride of Christ! It is easy to get all of these blessings and more from God, if you will just get to know Him. God loves you, and will give you part of Heaven now, if you will give yourself completely to Him, and then He will fill you with His precious Holy Spirit to help you be happy and please Him. Is this what you want? God will give this to you and more, if you want it!

I am already a Christian or have read your first book Part 1, so why do I need to read this?

Yes you need to read this one too! If you have read our first book Part 1 and allowed God to give you a new life with Him, you should know the value of what we are presenting. **If you have not read our first book, you should read it first, so that you can have all of the peace, love and joy you were meant to have!** Part 2 of this book covers the more advanced truths of God's plan to save you: how to become part of the Bride of Christ and how to be fully happy and have the most joy and happiness you can have! **This book will put you over the top, if you learn what it is teaching and allow God to fully change you, and it will cement in the truths you studied in Part 1. No turning back! Why would you turn back, and go back to your old ways without having the Holy Spirit fully in your heart?** It is the pathway of death, there is no life in it, love or joy; no confidence in your salvation, or the companionship of the Holy Spirit! Your old ways have nothing of any value to give you that you want, and cannot give you peace, or help you to overcome sin, or help you to have the patience of the Saints and have the Fruits of the Holy Spirit, as well as the Gifts of the Holy Spirit. **If you have tasted of the Heavenly gift, there is indeed, no turning back!** You are now in love with God, and you crave more and more of His Spirit and gifts, and are wanting to be His servant now. You now want to fully become part of the Bride of Christ and prepare to receive the Latter Rain. **Do you want this? Yes! So go ahead and read this book, you know you want to!**

May your life be richly blessed by God, as you read this book, and learn about how much He loves you, and get the inspiration to witness of His love to others, and the ability of bringing honor and glory to His wonderful name! **May His name be forever blessed!** This is our prayer for you.

The Purpose of This Book:

It is our desire for this book to teach how to prepare for Heaven; to become part of the Bride of Christ, with God's other people who want to be there too. And to learn to run the race with endurance! And if you haven't received the full outpouring of the Holy Spirit yet, that you would get this promised blessing now! It is also the purpose of this book to help you get closer to God, whom you love, and **get the help you need to get your ministry to serve God with started, or if you have one already, to get it turbo supercharged!** And help you to have the faith, and the power to make it through to the end of the world.

The ideas in this book should be accepted by all Bible believing people everywhere, who love the Lord, because this book will show the truth of God's love for you from the Bible. We believe that if there were more Christians full of God's love, and filled with His Holy Spirit, that the work to preach the Gospel to the whole world would be done much sooner, and then all of God's children could go back to Heaven with Jesus. It is our desire to help all lukewarm Christians break out of this terrible condition, so that they can please God and be happy, and be a light to the world, and bring honor and glory to His wonderful name. **The experiences of those who give themselves completely to God, and receive the Holy Spirit, are those who have found the very happiness and joy they have been searching their whole life to find! And they have found it, the Pearl of Great Price!** This is the peace, love, joy, and happiness that makes life worth living: living for all eternity with Jesus, the Father and the Holy Spirit whom they love!

It is our prayer, dear reader, that you will have the most wonderful experience of your life, as you read this book, study your Bible, and pray to God for a closer walk with Him, and that He would fit you up to serve Him, if this is your desire! May God richly bless you, and give you the true desire of your heart, and help you to become part of the Bride of Christ, and claim your rich inheritance in Heaven, surrounded by the ones you have helped to get there. Amen! May God fill you with His Holy Spirit, and fill you with His glorious Latter Rain power! Amen!
